

Morris Hill Elementary
Plan for Inclement Weather
Or Online Learning

In the event we need to close school, for inclement weather or due to COVID, here is our plan. All students will need their computer in order to access assignments. If it is for a long period of time, we will schedule a time for materials to be picked up.

Students will be well prepared by their teachers in order to utilize the Schoology Site to receive their assignments and lessons online. Each grade level will share a schedule with you through that media.

The following district guidelines are expected:

Live sessions with the teacher

60 minutes for Reading

30 minutes for Math

25 minutes for Social and Emotional Learning

30 minutes for Social Studies/Science/Computer/Library

Independent work

40 minutes for Reading

45 minutes for Math

60 minutes for specials – see PE/Music/Library/Art folder

30 for recess

40 minutes for Social Studies/Science/Computer/Library

Teachers may also be scheduling appointments for tutoring small groups or individual students.

If your child receives special education or English Language Learning services, the provider will schedule a time to work with your child.

If you have questions, please email me at melanielaster@usd475.org or call the school at 785-717-4650.

Thanks for your patience and understanding. Stay safe!
Melanie Laster, Principal
